

JAN 27 1966

AN OPEN LETTER

TO THE—President of the United States Hon. Lyndon B. Johnson,
Speaker of the House of Representatives Hon. John W. McCormack
And to Members of the United States Congress.

DEAR SIR: Five years ago, on JANUARY 12, 1961 I entered the United States with my husband (via MAIL: AP, DOVER) after an January 4, 1961 the Right of political Asylum was granted to us by authorized representatives of the United States Government in the U. S. CONSULATE GEN. in WEST-BERLIN. I was forced to flee with my husband to the UNITED STATES for reasons of his voluntary service for the national security of the U. S. A. and its western Allies, as stated by the CENTRAL INTELLIGENCE AGENCY in the Memorandum of I&N SERVICE in re: H.R. 5507, that my husband: "has collaborated with the GOVERNMENT in an outstanding manner and under circumstances which have involved grave personal risk. He continues to make major contributions to the national security of the United States. His primary motivation in offering to work with the GOVERNMENT has been and remains his desire to counter the menace of SOVIET COMMUNISM."

Because of our departure 9 members of my family, who were living in WEST-BERLIN, found themselves in a very difficult situation, and they were during January 1961 evacuated by the authorized representatives of the U. S. GOVERNMENT, from BERLIN into WEST GERMANY, where they are living up to this day.

For reasons as contained in my following last letters, sent to HON. R. F. FARRELL, Commissioner of I&N and to the HON. M. A. FEIGHAN, House of Representatives, I find myself here in the United States in a very serious and difficult situation, which compels me to this open letter, during the last 24 months more than 20 registered letters were sent from my husband as well as from some attorneys at law and myself; all of these letters show the same contents: that we are asking for help and for a settlement of our problems. I am very sorry to have to state that in spite of all these efforts and petitions there are no results up to this day.

I can not accept as a response to me, such a letter of the U. S. I&N S., as received on January 20, 1966 signed by Asst. Commissioner M. T. Noto. This letter dated January 18, 1966 sent to me just with my rightful family name on the envelope, was addressed in the text by a name, which never was mine. Said letter contained certain contradictions as well as some repetitions of arbitrary decisions, and had no value for want of attitude to many principal matters.

Incidentally, the Congressman, Hon. Michael A. FEIGHAN did not give me any answer to my letter, although called four times his office and sent him a telegram one day later.

To date, I am still without any reply of the HON. FEIGHAN.

In consideration of my poor health condition, the blood disease of my husband and in interest of our in the meantime born daughter I am forced now in this way to bring our matters to the attention of the United States Government.

In view of the foregoing I am asking herewith the PRESIDENT of the U. S. and the U. S. CONGRESS to induce the settlement of our vital matters as well as the correction of our difficult situation, which is caused by bureaucratic negligence and indifference of certain United States representatives.

I thank you in advance.
Respectfully yours,
IRMGARD MARGARETA ROMANOFF.

In conclusion the text of the last letters as follows:
Reg. mail no: 189038 and no: 189039, insured \$5,000.—, dated: Jan. 7, 1966, Spec. del. Ref. R. F. Farrell, Commissioner of I&N, U. S. Department of Justice, Washington, D. C. and Hon. P. A. Esperdy, District Director, U. S. I&N Service, 20 West Broadway, New York, N. Y. 10007.
RE: A.R.C. A12 727 331.

DEAR SIR: In accordance with the directive contained in letter dated 4-19-65 from U. S. Department of Justice Immigration & Naturalization Service, signed by E. A. Loughram, Associate Commissioner, on July 7, 1965, now I have received from the District Director Mr. P. A. Esperdy of U. S. Immigration & Naturalization Service, N. Y. C. via the attorney at law, Mr. J. J. Richmond two applications for replacement of alien registration receipt cards, including the necessary and lawful supporting documents, and my husband and myself, I find it not necessary to repeat everything concerning this matter respectively, our absolute rightful request, because the District Director, Mr. Esperdy of U.
